

## Steve Miller

Since first playing in church at age 9, Steve Miller has had something to do with music in church; as organist, choir member/soloist, choir director and as a maintainer of pipe organs in western Canada. In addition to his 30+ years as a representative for Casavant Freres LLC, he has spent about 10 years designing hardware and writing software for Solid State Organ Systems, a manufacturer of control systems. He presently continues to advance those designs as Hoffler Systems. These days, he has the pleasure of assisting his spouse, Chellan Hoffman, with audio technical matters at Knox United Church in Calgary; also singing in the choir, occasionally playing piano and tuning the organ...
