Come to My Heart

Come to my heart, O love divine,
Enter my heart, O joy of mine.
O sister, brother, let us give
All we have to offer as we learn to live.

Come, walk beside us along the way,
O Saviour, ever with us stay.
Grant us the grace of heart, mind and soul,
Let your Spirit move within to make us whole.

In times of sorrow I will comfort you,
Ease your pain, refresh anew.
In times of joy with you I'll rejoice,
In your presence I will lift my heart and voice.

When shadows linger and the eve grows long,
Help us to hear your loving song,
And when the shadows turn to night,
We will share your song as darkness turns to light.

Teach us to cherish and help us love
All those on earth and in heaven above.
Come to our hearts, make our spirits soar,
Give us grace to love and serve you evermore.

Amen.
